THE Question YOU WERE BORN TO ASK
Why am I here?
That Question is not a crisis. It's a "clue."
You were born into a World at War.
But you were not born unarmed or unseen. You were born "on Purpose."

the one that says, "There's got to be more?"
It's not your enemy. It's your invitation.
You don't need to Invent your Purpose.
You need to recover it. Rediscover it. Live it.
